Comments on Condition of Specimen: _____

DISCLAIMER: All above statements are true to the best of your knowledge. Although every precaution will be taken to prevent damage and/or theft from occurring to specimen while in my possession, I can make no guarantees. Tan at your own risk. If specimen is brought in a frozen state, no judgment can be made as to the condition until it is thawed. Since proper field care is of the utmost importance in determining the quality of the final product, I can not take responsibility for the mishandling of the specimen up to the point at which it is brought to me. Therefore, leaving your specimen with me is done at your own risk, and I can take no responsibility for the specimen before, during or after the tanning and/or mounting process is completed. All payments to be made in full within 10 days of receiving finished product. A late fee of 1.5% will be charged each month for all past due amounts. Any payments not received within 90 days will be subject to legal action. All office and legal fees incurred by us will be paid by the customer. Return checks fee is \$45.00 plus. We reserve the right to refuse service to anyone at anytime.
